Sentiments from Susan

Greetings!! I have been having lots of fun putting my gardens to rest...well, sort of... maybe I should say extreme satisfaction. I know it is brisk but I get much more done when it is cooler...not freezing nor raining, but sunny and cool. I bet you do too. Also I have been making notes of changes to make next spring. Remember as you tidy up or move things around, protect them with compost, shredded leaves or mulch. Now is also a fabulous time to extend or make a new bed. Cover grass with newspaper or brown paper and put about 4 inches of mushroom compost, composted cow manure, Michigan peat or a mixture of similar amendments. You will have a perfect place to plant next spring. Good News: Plans for our Holiday Party are under way..."Thank you" Diane, Nancy and Nancy. The pots have been planted..."Thank you" Nancy Schaffer. We will have another special speaker on November 7..."Thank you" Usha. "Happy Halloween" See you at the meeting. Susan
