Sentiments from Susan

Greetings Gardeners!!

Well, Autumn is officially here and, although it is a vivid time of the year, it makes me melancholy. I know perennials are shutting down and annuals are amazingly beautiful, but it is their last hurrah, so to speak. I so enjoy walking around the gardens, making note of some successes as well as disappointments. I shall still select and sow some bulbs before I put my shovel away. This is one of the many things that makes this hobby of ours so much fun...it is good for us too. Gardening gives us hope and enthusiasm for what we can do, for what can be; it is peaceful and gratifying. I hope you all will take advantage of this time and rise to the occasion for the next six weeks or so. Go outside and get your spaces ready for their winter rest and make the most of the ensuing months to begin planning for next year. I truly encourage you to attend our meeting on October 3 for the nomination of officers and to hear a very interesting topic from our speaker. See you then,

Sincerely,

Susan
